Introduction

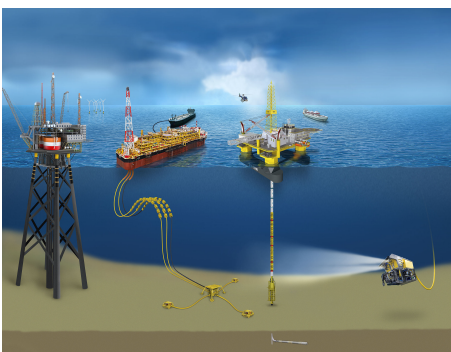

Rmass Lda is an independent oil and gas service company established in 2009 with the aim of providing a broad range of services in this industry. Effectively based on principles such as simplicity, effectiveness and excellence in the services it provides. Rmass Lda Likes to be seen as a strategic partner, focused on the development of real solutions, adjusted to the true needs of each Client, whose success we also depend on.

We are honored to announce that we started the process of implementing our quality management system that meets the requirements of ISO 9001 - 2015 in our company.

Meet our Founder

Our founder is a 36 years Chevron retiree manager who has an extensive experience and personal knowledge of every aspect of the onshore, offshore and international experience across all sectors of the upstream Oil, Gas, Supply Chain and LNG industry that helps the company understand all your requirements – whether they are in Procurement, Manpower and Oilfield Services in Production, Drilling, Engineering, Marine, HES, Projects and Supply Chain Management.

What we do:

Rmass Lda provides solutions to your company on an integrated basis, in line with your requirements on a safe and environmentally sound manner. **We provide Sourcing & Procurement, Manpower, Technical Services, and Consultancy in Engineering, Logistics Management in Marine, Aviation, Land Transportation and Facilities Management.**

Sourcing & Procurement Services:

We Source, Procure and Deliver. Our procurement network is comprised of Original Equipment Manufacturers (OEM) and Suppliers based worldwide...more specifically in US, UK, EU, South Africa and South Korea. In order to ensure that you obtain best value for money, we also offer technical advices (for free) on your procurement requirements.

Rmass Lda is also designed to complement our clients' existing internal procurement and supply chain capabilities.

Manpower Services:

Rmass Lda understands that the Oil and Gas industry is highly competitive and its labor-intensive industry requires highly skilled work force. As per the demands of the employer, we hire candidates locally and from multiple countries simultaneously or from any particular nation. Our provision of Manpower Service can also include travel arrangements, visas, medicals, meet and greet, accommodation and relocation where and when necessary.

Oilfield Services

Rmass Lda along with her partners have qualified technicians with international standard to conduct regular equipment inspections, maintenance and unplanned breakdown repairs. We are able to offer your company the following services:

- QA/QC, Specialist Welding Services and Inspection, NDT, Equipment Inspection.
- Specialized maintenance or repair on critical equipment such as: Compressors and Turbines, pump repairs, Pressure Vessels and Boilers, Heat Exchangers, Valves and actuators.
- MODU, OSV, ORV, and OSRV Warranty Surveys & Inspections.
- Project Management and Engineering.

Consultancy and Free Lancers on:

- Engineering and Project Management;
- Logistics Management and Fleet Optimization on:
 - Marine
 - Aviation
 - Land Transportation and
 - Facilities Management.
